

Details of Connector

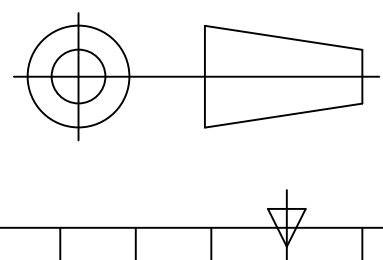

Pin1: + (Red)  
 Pin2: N/A  
 Pin3: - (Blue)

Connector Type: SMR-03V-B (Light Side)  
 SMP-03V-BC (Power Supply Side)

Specification:

|                |                      |                     |
|----------------|----------------------|---------------------|
| MODEL          | WLFD2-90-W/-B/-G/-UV | -Y/-R/-IR850/-IR940 |
| Wavelength(nm) | 6500K/470/525/390    | 590/625/850/940     |
| Power Supply   | DC24V/8.6(W)         | DC24V/6.5(W)        |
| Weight         | 493g                 |                     |

|                            |                          |                                  |                       |                    |              |
